\* Friday is for non-profits only, however, Commercial Vendors may operate on Friday providing a non-profit group will benefit from your Oktoberfest proceeds. We encourage non-profit groups or vendors to team up with Commercial Vendors for Friday and/or Saturday. Benefits are that the Commercial vendor gets to operate on Friday which has higher attendance and higher per person spending and the non-profit may supply workers. And if you choose to donate to a non-profit on Saturday you may receive the reduced space rent as a non-profit. This below information must be provided prior to admittance into park. The commercial vendor shall report the amount of the donation from it's Oktoberfest proceeds within the following two weeks after HaysOktoberfest to verify the donation.
